KING
JACK

HOMECOMING '74 was a busy time for everyone. Each day was set aside for something Special. There was a day for decorating, meditating on a victory, being slaves, and kissing the Bulldogs. The crowning of Queen Kim and King Jack on Thursday, October 3 began the formal festivities. A pepfest and the annual parade were held Friday afternoon with the 8th grade taking 1st place in the float competition. The game with the Panthers of BI was exciting but the Bulldogs couldn't come up with a victory. Following the game, "Wind" provided dance music in the gym.

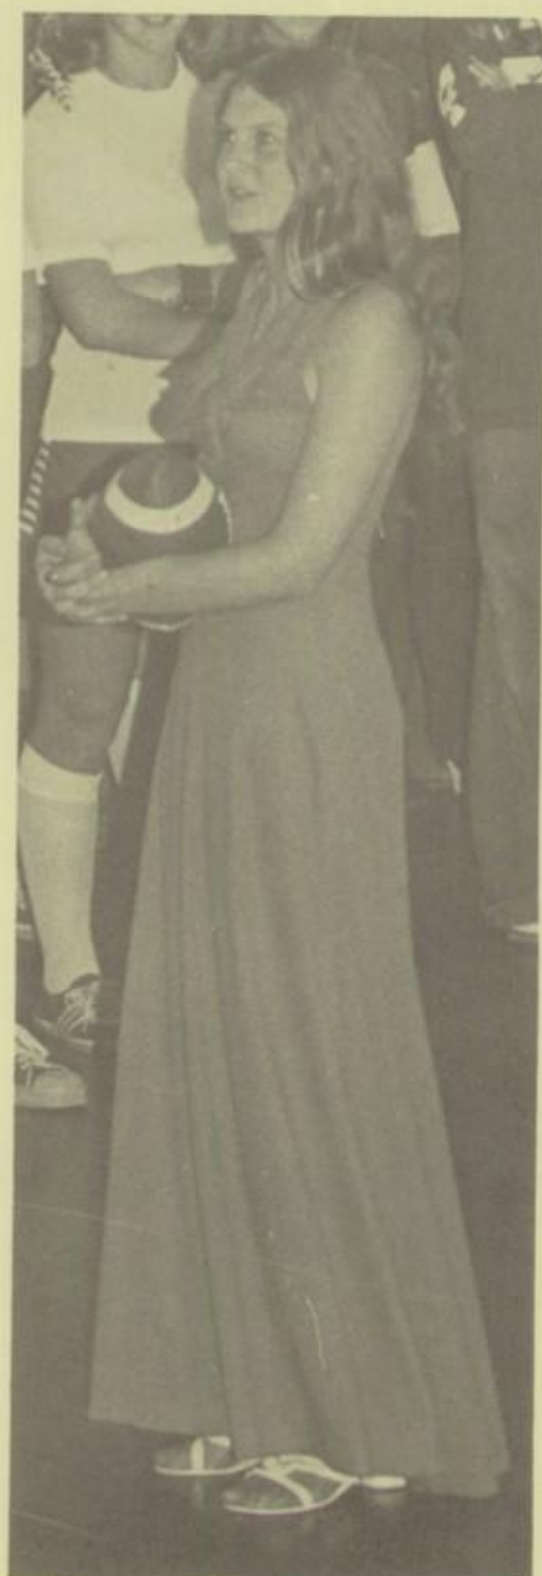

Royalty ready for the parade.

After starting the 1974 football season with no lights, then going into an overtime game and one that was cut short because of the energy shortage, it was an above average year for the Bulldogs. They ended with a 5-4 overall record and a 4-3 conference record placing third in the conference. It was the first season that the conference was split into the east and west half, Hector participating in the west.

Two members of the team were chosen to the All-Conference team. The two members were Jack Miller at fullback and Mark Serbus at linebacker.

GIRLS BASKETBALL

Although the Girl's Basketball Team did not have the numerous victories of last year, they placed 4th and had great team spirit. This years team consisted of many new recruits that will surely benefit future HHS basketball teams. The 1975 Seniors would like to express their deep pride and gratitude to the team and coaches for making basketball an exciting and worthwhile experience.
